Presentations:

Programs Chair Linda Mitchell shared information about the volunteer/neighborhood Hub system and that the WENA Hub was now stocked and operational at Post Alley and Virginia St, in the atrium of the apartments across from the Pink Door restaurant. She introduced the other members of the WENA Hub committee: Teri Kertson, Ron Uno, Jeff Robinson, and Karen Sutherland.

She introduced speaker Cindi Barker, organizer of the neighborhood Hub groups who shared information about how the Hubs are set up, the type of information they provide, and answered questions.

Linda commented that the WENA committee welcomed new members, that the group would meet every six months or so to ensure that materials were current and equipment working. The next meeting would be to walk through how the Hub would be stood up in a disaster and additional materials needed. An info sheet about the Hub will be developed and distributed to downtown condo building management.

Good of the order – none.

Meeting adjourned at 7:10 PM.
